

Display of Work Requirements

Portfolio Requirements:

- * At least five works of art included (5th graders-please also include sketchbooks)
- * At least 3 pieces from outside of school and 2 from in school/art class.
- * If an entry is a student-created reproduction, the original source must also be included.
- * The Display of Work portfolio should represent the best work of the student.
- * All work included in the portfolio should have been completed within 24 months of the evaluation.
- * Ratings from art competitions or exhibitions cannot be used in the screening/identification process. However, works created for or displayed in competitions or exhibitions may be included in the portfolio.
- * Feel free to reflect on your pieces. Writing is optional and a great way to include additional information on your work for the evaluators.

Portfolio may include:

- * Works created in or outside class (only 2 from in class)
- * Photos of 3D pieces
- * Artistic photograph (limit to one)
- * Original scenery designs for theater, fashion/costume designs or completed pieces, or architectural drawings of student designed structure.
- * Digital drawings, paintings or animations, video productions or interactive media works (limited to two).
- * Accurate representation of a photograph (limited to one)

Portfolio may not include:

- * Class craft project produced by all students.
- * Pre-drawn pages from published media; coloring book pages, paint by number.
- * Photocopied or traced work.
- * Any collection of work with fewer than five pieces.

Evaluators will be looking for inventiveness, composition, rapidity of development, technical skills, & sensitivity to art media.
